

Thesan Musique

DEEP DANCE / TECHNO / DNB • SEATTLE, WA • EST. 2025

Bass is architecture. The kick drum is the heartbeat of a world that has forgotten how to dance. Ataraxia: tranquility through rhythm.

// BIOGRAPHY

Thesan Musique is the dance floor architecture arm of Manteis Recordings. Where The Manteis Project builds rooms for contemplation, Thesan Musique builds rooms for movement — warehouses, basements, the liminal spaces where bass frequencies become physical. The debut album Ataraxia (9 tracks) strips everything to frequency. Techno removes the unnecessary. DnB accelerates what was already infinite. Thesan — from the Etruscan goddess of dawn, transformation, and the threshold between states.
